

Ponytails & Buzzcuts Product Information

Intense ReConditioning Treatment with Olive Leaf Extract revitalizes hair targeting and penetrating the damaged sites. The result is balanced moisture levels and an improved look and feel for all hair types including color-treated, chemically processed and dry hair.

Hydrate Hair Cleanser contains **Wheat Amino Acids**, which penetrate deeply into the hair shaft providing nourishment and structure to the cortex. Provides gentle daily cleansing plus moisture infusing care. Great for daily use on all hair types, especially dry, brittle and damaged hair.

Hydrate Conditioning Rinse is a vital second step for healthy hair with lustrous shine. Conditioning agents bond to hair, forming a protective layer that doesn't weigh hair down. Enriched with **Wheat Aino Acids** and **Panthenol**, this conditioner maximizes manageability by increasing moisture content. Great for all hair types.

Volume Hair Cleanser is created with a special blend of volumizing agents and botanicals that create lift and volume from root to tip and **Olive Leaf Extract**, a natural antioxidant that protects hair. Ideal for fine or limp hair.

Volume Conditioning Rinse is created with a special blend of **Olive Leaf Extract** and **keratin protein** to protect hair and build volume. Fast acting formula allows immediate rinse after application. Especially for use on fine, thin or limp hair.

Strong Hold Fast Drying Hair Spray is serious hair spray. Fast drying with a specialized formula for maximum hold, this spray is great as both a working and a finishing spray.

UltraShine Serum is a light weight finishing product that repairs, protects and provides instant shine and silky smoothness. Accentuates the appearance of color-treated hair and eliminates frizz.
